

A Successful Venture into Austria

Issue No. 3 | 2024

As PNI Group continues to explore new markets in Europe, particularly in Austria, 2024 has proven to be a fruitful year for the company. PNI has successfully deployed a diverse range of highly skilled professionals across various industries, further establishing its reputation as a trusted leader in international recruitment agency.

Among those deployed are highly qualified chefs, waitstaff, kitchen helpers etc. in the hospitality sector, as well as healthcare professionals, including nurses. PNI remains steadfast in its commitment to providing Filipino talent with the opportunity to excel in their careers abroad while helping global employers address their staffing needs.

This successful expansion highlights PNI's dedication to matching high-quality Filipino workers with international employers, solidifying its standing as a premier partner in the recruitment industry. As we continue our efforts in Europe countries, PNI is excited about the ongoing opportunities for growth in the region's thriving markets.

PNI looks forward to further expanding its reach and contributing to the success of both its workers and partner companies across Europe.

PNI looks forward to further growth in Europe's thriving market!
